The speaker at the July meeting will be Andrew Ashton who will give a slide talk on the anonymous but very effective graffiti artist Banksy. It is certainly true that most of Banksy's art has irony behind it but of course each person will come away with their own interpretation of his drawings. His statements are often a commentary of how we live in this modern age. Woodchurch WI would particularly like to invite others to this fascinating talk. You do not need to be a WI member to attend or indeed be a woman! Do come along and listen to Andrew, an artist himself, who has given many interesting talks at the Rye Art Gallery when he was a trustee. The meeting is on Tuesday, July 9 at 7.15pm in the Memorial Hall. No charge for entry, but visitors are invited to make a small donation to WI funds. Hope to see you there!

Woodchurch Wagon update - Things are progressing well with Ashford Borough Council and we are expecting the minibus to be available for use from the beginning of August. We are making preparations at the Hub and if you would like to volunteer as a driver, or simply to help out at the Hub, please contact us.

Sunday 9th of June a plaque in celebration of Woodchurch being awarded **Silver** in the South and South East in Bloom (SSEIB) competition was put up. The plaque is positioned on the village sign by the Green. The first of three new village boards was also erected near the play area.

This year 2019 you will have already have seen new planters that have gone up, public spaces have been cleared and areas have been replanted, the cubs have helped out, The Village Life museum garden has been renewed, in school the children are growing for wildlife, the WYT churchyard group have done a fantastic job and a fun-for-all pebble geo-cache style game is becoming increasingly popular!

Judges are coming 1 July - "Your village needs you"!
Woodchurch is entering into the 2019 SSEIB competition and the judges are coming 1st of July from 2.30pm. The colour scheme this year is **Orange** and **Purple**.

PLEASE HELP with litter picking and if you are planning on putting planters out or hanging baskets up – there is no better time than now!!

Let's make WOODCHURCH BLOOM!
