Councillors are satisfied that Mr Bourne will remove this when instructed to do so by the Parish Council.

Lanes around the Parish

The Chairman of the Friends of Woodchurch Windmill replied to our request, asking the Friends to maintain the top of Stoney Lane, informing us that they would not be willing to take on responsibility for maintaining the upper part of the Lane, as it would not be appropriate to ask the volunteers, who only attend the mill for 3 hours a week and are generally retirees to undertake the task. From a health and safety aspect, Stoney Lane is uneven and the Friends do not possess the right equipment to undertake the work.

Councillors agreed that the Parish Council has and still does, maintain the lower end of the Lane but is unable to take responsibility for the whole Lane. The Clerk will relay this to the Friends of Woodchurch Windmill and suggest that they contact Councillor Angell and ask if he can assist them in any way with maintaining the top of the Lane.

Quote for Repairs to the Play Area Surface

The cost of resurfacing the entire area of the Play Area will be in the region of £8000 - £10000.

Mr Wood will ring the contractor and discuss a repair. Councillors will investigate grant funding.

Overhanging Trees

Fruits from overhanging trees fell onto the pavement, causing a safety hazard. A complaint was received from a resident and Mr Jarvis cleared the pavement.

Goal Posts

Mr Spice received 2 telephone calls asking him to remove the portable goal posts from the road. Councillors will replace them and monitor the situation.
