Village Defibrillators

A big thank you to the individuals who have generously donated towards the replacement of the car park defibrillator - a total of £700 so far.

The Parish Council are working with several village organisations to increase the number of defibrillators within the village. If you would like to help and give a donation please contact **The HUB** or visit www.woodchurchhub.uk and click "Donate"

WOODCHURCH SURGERY UPDATE

Something happened just after the last newsletter was published in the Parish Magazine - Omicron. Having given notice on doing more Phase 3 jabs suddenly it was all hands to the syringes again. We have put on a number of weekday clinics, a couple at the weekends, and together the team has rallied round and tried to help the ambitious target of "boosting" just about everyone. It is hard to believe what has happened in just one month and so sad that many positive tests locally have disrupted so many Christmas plans.

We have more clinics and the uptake is beginning to slow again so please if you haven't had a booster please get in touch with us to book in. We are allowed to vaccinate those who are over 18 years old and had the 2nd vaccine over 3 months ago.

Our searches show that 541 of you are eligible for the booster and haven't got an appointment booked to have it. We have 162 jabs left within this order so hurry fast before stocks run dry! The next clinic availability is on Saturday 8th January.

New staff to the team - Perrie will be joining the admin team in January and Pamela will be starting as a "Social Prescriber" for younger people to help Helen Brown for the PCN. We look forward to working with them both and hope you give them the usual welcome.

We must give you all a massive "thank you" for generous gifts that have come our way in the festive season. Even a kind word is a great lift to the team but I know that they also all enjoyed anything that was consumable. I'll be spending the New Year dreaming of Summer holidays although, with the speed that Omicron has hit us, planning a week in advance seems tricky. Who knows what 2022 has in store for us but I know from experience that the community will pull together and deliver.

On behalf of the Surgery I wish everyone an optimistic and fruitful 2022! Please respond to this "final call" for the 8th January.

Best wishes, Jack Hickey - GP

Boldshaves Oast

We do not have any specific dates for any event yet this year as everything is so up in the air at the moment due to covid. However I can let you know the people we support did have a good run up the Christmas this year visiting Heaver Castle Christmas Market and a Pantomime at Marlow Theatre.

We also managed to hold Christmas Wreath making workshops and sold a number of wooden reindeer. Hopefully as the year moves on things will calm down enough to enable us to preplan.

Kind Regards, Carol 01233 860039

All Saints Church

Dear Friends,

I hope that, despite the current levels of COVID, you were still able to enjoy Christmas celebrations with family and friends this year.

I would like to take this opportunity to thank those who helped to prepare the church and the churchyard for Christmas. We have had lovely lights outside. In the church, lots of adults and children made angels to decorate the church, and they look great. Thanks also to those who helped with cleaning, flower arranging, and all the greenery and candles around the church - it looks really beautiful.

It was lovely to welcome families for our crib and Christingle service on Christmas Eve, and also those who attended our Holy Communion service on Christmas morning. We are now wearing masks in church, and I have asked that we don't serve refreshments whilst infection rates are so high. When I joined as

Rector, I didn't expect to be thinking about ensuring that not too many people come to church - we are living in strange times!

I know this can be a difficult time of the year for a variety of reasons. Please do get in touch if you are having a tough time - the first step might be to share how you are feeling - I can offer a listening ear, and also practical advice if needed.

Reverend Mike and I would like to wish everyone in Woodchurch a Happy New Year - we hope and pray that 2022 will be a better year for us all.

God Bless, Reverend Sue - 01233 820266

What a year we've had!

Firstly, thanks so much to Winbloom and The Big Thin Red Line teams for a wonderful Christmas light switch on event. It was wonderful to see so many people from the community coming together to celebrate the start of the festive season. Thanks also to the Morris Men, the local businesses who ran the stalls and to the children from the school for performing wonderful carols! It was lovely to end the year with such community spirit.

Looking forward to 2022, the Parish Council has some exciting projects in the pipeline.

We are hoping that the bus stop renovation project which Councillor Jones in particular has worked so hard on will be completed early this year. We are also looking forward to the summer and how we can celebrate the Queen's Platinum Jubilee and support the Carnival Committee to bring back a much loved village event. Please look out for details in future updates- if you would like to be involved please do get in touch!

On 27th January we are holding a ceremony on The Green to celebrate "80 trees for 80 years". This has been organised in conjunction with the Association of Jewish Refugees and Ashford Borough Council. The 27th January is Holocaust Memorial Day, so it felt an appropriate day to celebrate the contribution that the village made to the war effort by sheltering Jewish refugee children at Great Engeham Farm. In commemoration we will be planting a tree and burying a time capsule, which have been sponsored by a member of the Association of Jewish Refugees and Ashford Borough Council. There will be a short ceremony beginning at 12pm and all members of the community are welcome to attend.

The council will, of course, continue its day to day work of keeping the village a great place to live. To this end, we are working in partnership with KCC to continue reporting issues with the roads and trying to ensure they are maintained and repaired as speedily as possible. There is also work being done with Councillor David Robey at KCC to enact a Highways Improvement plan for the village - looking at how we can make the village safer by combating the ongoing problem of speeding. Our work has started by discussing the issues caused around the school at pick up and drop off times, but we are looking to expand from here to other danger areas- we know that the school is not the only hot spot and we are looking at the other areas in the village which members of the Parish regularly draw to our attention. This is an ongoing project, so please look out for further updates. Additionally, you can help us by reporting problems you identify directly to KCC. You can do so here- <https://www.kent.gov.uk/roads-and-travel/report-a-problem>

We have also been working hard to ensure that we are prepared for the upcoming new financial year and will be finalising our budget at the January 27th meeting. We took the decision at the December meeting that, to help buffer the expected increase in the cost of living next year for local residents, we would not to increase the precept* for 2022-23. This will be the second year running that we have not requested the Precept to be increased. Clearly the Parish Council's costs for maintaining the village will increase, however we plan to absorb these from within existing parish council reserves and through grants. .

* The precept is the money which we receive from Ashford Borough Council to run the Parish Council and manage the village assets. The Parish Precept is paid for through everyone's Council tax.

We hope that you continue to support us this year as you have in 2021, Remember - we still have a vacancy to join the Parish Council, so if you are interested, please do get in touch! Wishing you all a Happy, Healthy and Safe New Year.

[Little Leaves- Stay & play Forest School for under 5's](#)

Little Leaves Stay and Play Forest School is a playgroup for under 5's based right here in Woodchurch.

Our Forest School site is situated on the beautiful Boldshaves Estate, there's plenty of parking and proper toilets, and the site is easily accessible, suitable for prams and yet you feel a million miles away when you enter the stunning ancient woodland.

At every session we have a mud kitchen, story den, song time, story time, and a warm drink and snack around the fire; and then each week we create and provide nature-based activities for the children to explore. These activities are chosen with the EYFS framework in mind and will help develop the children's fine and gross motor skills, encourage creativity, progress their social and communication skills, but most important of all they're always lots of fun!

Little Leaves is a very friendly group and everyone is welcome. Sessions are £7, but every term I have two 'Forest School Hug Spaces' which are pay what you can spaces and can be totally free of charge. We meet on Tuesdays 10-12 and booking is essential.

Please email righteousoaks@hotmail.com to book your child a place or ask any questions.

To see what we get up to at Little Leaves, as well as the other Forest School Experiences we offer, head over to our facebook page @ROForestSchool

Bonny Cravat

Thank you to everyone who came to our last quiz of 2021. It was a wonderful turn out and lots of fun had by all - we even had a visit from the big man himself!

Congratulations to our winners who won a free round of drinks for their team. This means we have another rollover for our cash pot prize!

Book your team in now on Tuesday 11th January 2022 for The Bonny's big quiz of the year!

You won't want to miss it! 🍷

With the start of the 2022 we are delighted to announce a very special promotion to get your New Year off to a great start. Dine with us in January and you will receive a 2 for 1 voucher for our delicious Barrel and Stone Pizzas! Valid until the end of February!

The team here at the Bonny would like to wish you all very very happy and healthy 2022 and can't wait to see you all very soon.

Six Bells Park

The residents of Six Bells Park hope that you all had an enjoyable Christmas and New Year.

We are all looking forward to seeing what 2022 brings to the village and to the country. We are making preparations for celebrating our Queen's 70 year on the throne and of course our village carnival in which we will be taking part.

Woodchurch Scouts

Another year has passed, and my new year resolution is to write in the Community News every month. Not much has happened in December except the survival

night. This activity is very popular and 12 scouts turned up at the wood (both boys and girls) with Joe and Chris. It was not a good day with some light rain but the first job was to make a fire to keep everyone warm, then to start on their shelter. Once these were up and running the leaders could show them how to skin and gut rabbits, pigeons and fish - not for the squeamish! It was then time to cook and taste them. As you can imagine it was not food for everyone but most at least tried them... the foxes ate well that night.

After eating and making the fire, some of the scouts then decided to go home for some comforts however five Scouts endured the whole night - dry within their sleeping bags with hot chocolate. The leaders had the back up of the scout community centre though if needed. After a good breakfast of eggs and bacon they packed up and left the fire to burn itself out.

Even though the weather was shocking it all went well and we are thinking of doing a weekend camp in 2022.

We are desperate for more leaders as our Beavers, Cubs and Scouts now number over 70. Janet our Beaver leader was going to leave at the end of December as she was now on her own but has agreed to stay on with help and support from a parent rota and myself.

Cubs have two leaders but, again we could do with parents or anyone who would like to come along. There will be a police check form to fill in and some training to be done.

Scouts leaders are also low and we are looking for helpers who could give up a couple of hours once a week. We do a lot of activities during the year - such as Sub Aqua Diving, Pot Holing, Climbing in the peaks, Biking, etc

Please contact me if you would like to come along for the evening to see what it is like.

Thank you

Julian West, Group Scout Leader 07887 748692

Village Lost Property at The HUB

If you find any lost property around the village please bring it to The HUB. We will hold it there waiting to be claimed for four months. For any valuable/important items that we have handed in, we will place notices online, in the Newsletter and on social media. If you have lost something around the Village please let The HUB know as it may have been handed in.

Woodchurch Local History Society

January is normally a quiet month for the WLHS. However, we will meet again in the following month for our Annual General Meeting in the Memorial Hall at 7:30pm, Monday February 7th. The

AGM usually lasts about 30 minutes and after that our chairman will give us a short illustrated presentation entitled 'The Aldington Double Murders'. The event is traditionally accompanied by wine and nibbles.

Membership of our society is currently £10 per year and visitors pay £3 at the door. Visitors will also be welcome at our AGM. We meet on the first Monday of the month in the Memorial Hall at 7:30pm.

Our 2022 talks programme has been finalised and is listed below.

- **Monday February 7th - AGM** and 'The Aldington Double Murders'.
- **Monday March 7th - Stephen Harmer** 'History of Sissinghurst Gardens (or Arts and Crafts Gardens)'.
- **Monday April 4th - Geoff Turner** 'Tenterden's Regency Theatre'.
- **Monday May 2nd - Mary Smith** 'A Schoolgirl's War'. How WW2 affected Maidstone's Grammar School for Girls.
- **Monday June 6th - Ken Brooks** 'Ecclesbourne Glen'. The social and environmental history along the coast from Hastings to Cliff End.

• Summer Visit.

• **Monday September 5th - Imogen Corrigan** 'Royal Burial at Sutton Hoo'. The discovery of this archaeological find has been dramatised in a recent film (The Dig).

• **Monday October 3rd - Dr John Reuther** 'The History of Nursery Rhymes'.

• **Monday November 7th - Delia Taylor** 'The Role of ENSA During WW2'.

• **Monday December 5th - Members' Evening.**

Hope to see you at the AGM

Thanks, Geoff, 01233 860393.

The **Woodchurch Carnival Committee** would like to invite all Woodchurch residents, clubs, societies and businesses to help make **Carnival 22** a big success. It will be held on the 4th June 2022 and will be our first village carnival since 1994. It will be both a celebration for the village and also a celebration of the **Queen's Platinum Jubilee**.

We are currently developing a plan for the day, which will include floats, stands, bands and other entertainment. Now is your chance to share your ideas by attending the next meeting on **13th January at 6:30 pm** the Jean Mealham Pop-In Centre. Many organisations and individuals are already involved but we value all new ideas. It is the perfect opportunity for club, societies and businesses to promote yourselves. This could be by holding a stall, sponsoring a float or just helping out on the day.

- † Do join the meeting to share ideas and make the Carnival happen!
- † Ask questions about building your Carnival float.
- † Find out about the stalls (either run for fun; to promote a club or society; highlighting a charity; showcasing & selling your business goods; selling food on the day!)
- † See if you and/or your group could perform ...

We look forward to seeing you there.

With the disquieting threat of the new Omicron variant of the virus looming darkly over us, members arrived for December's meeting "in the mood" for an uplifting, festive occasion and happily, the Ruby Sisterz Singing Group, (Kate, Tina, Karen and Tracy, but , sadly, not their fifth member, Marion) were more than matched to the task! Coincidentally, they began their set with a stirring rendition of Glen Miller's "In the Mood" and, thereafter, the audience were definitely in the mood for more. Fortunately, the Sisterz, (who are not actually sisters) did not disappoint with more songs from the 1940s such as "Don't Sit under the Apple Tree with Anyone Else but Me!" and "The Boogie Woogie Bugle Boy" and "Alexander's Ragtime Band". In between songs Kate briefly introduced each lady and explained that they were all members of The Heart of Kent Show Choir, who just loved singing. She added that music and singing releases happy chemicals called endorphins around the body and so almost any occasion involving music is guaranteed to be mood enhancing! A quick addition of a white fur cape thrown over their velvet dresses of various hues, together with a Russian style white fur hat, moved us on to their Christmassy songs, starting with a bang up to date modern song from Abba entitled "Little Things" from their new "Voyage" album and then continuing with some more familiar songs, which the audience were able to join in with. Finally, by popular demand, they reprised "In the Mood" and "Bugle Boy", leaving us to enjoy a glass of wine and some delicious Christmas fare. All in all, it was a delightfully convivial evening, which we were lucky to be able to enjoy before Covid restrictions proved too difficult again!

All members will have received their Programme for 2022 with their Christmas card and, hopefully, Omicron variant permitting, we will next meet at [The Jean Mealham Centre, Lower Road](#) on Tuesday 11th January 2022 at 7.15 pm when the speaker will be Jenny Webb who will tell us about her recent Mayoral year in Ashford. Lunch Club is scheduled to meet at 12.30 pm on Friday 14th January 2022 at The Bull in Bethersden and Gillian's Soup-A-Time event is planned for Saturday, 5th February, 2022 at the Memorial Hall between 12.15 and 2.30 pm

The Six Bells Inn

Well, what a year for us all, it is so hard to write down all that has happened since we opened back in the early part of this year.

Through the happy and some sad times, all of us here at The Bells are privileged to have become part of the framework which is Woodchurch Village.

We often look out, over and through the amazing wisteria that offers such a beautiful comforting feature of the Bells, if only it could let us know all that it has seen throughout the years. Seeing it when it blooms with its abundance of flowers and now in its wintery state. It quietly grows and produces such a beautiful display year after year and long may it continue to do so.

The Church, especially at night with its bells always there creating such a reassuring feeling.

We are now realising what a magical place The Bells is and how it captures your heart.

Our Family send our best wishes to you all and hope that 2022 will be a year to make happy memories.

Katie and the team
