3. Woodchurch Windmill Trust

Cllr Nash summarised a recent meeting he and the Society of Woodchurch Windmill had with Cllr Ledger. Cllr Nash outlined the proposed plan to be put forward to Ashford Borough Council (ABC) to move this project forward. ABC currently owns the windmill, meaning the trust or the Society of Woodchurch Windmill cannot apply for funding. An assessment needs to be done to identify the necessary work to get the mill back in working order and to help estimate the work's cost. It will be necessary to hold a meeting with ABC to agree on a way forward. It was agreed that the Parish Council is best placed to lead those discussions with ABC on behalf of the residents.

The Parish Council agreed to set up a working group including members of the community to lead this project.
