Woodchurch Community Survey 2023

For the first time since 1989, Woodchurch Parish Council is embarking on a comprehensive survey of residents' views. The questionnaires will give you an opportunity to tell the Council about matters of relevance to you and your family. Your responses will help to inform the Parish Council's future plans and the things they can do, either alone or with partners, to improve your quality of life. There are two separate surveys that can be completed – one is a general survey that is relevant to all parish residents, the other is specifically aimed at the youth in the parish.

The survey is not just about seeking the views of the current householders on current issues. The Council is equally interested to hear about the legacy it should leave for future generations. Consequently, we would encourage parents to involve their children, where possible.

At the beginning of November each household in the parish should receive a printed copy of each of the

surveys. If you have not received a copy, or would like additional copies of the surveys, please either download or complete the survey online or contact The HUB for a printed copy.

HUB Volunteers Needed

Due to a combination of holidays and sickness The HUB was unable to open its doors on two days in October. Could you spare some time to join our team of volunteers helping us to support the residents of Woodchurch?

No technical expertise is needed, simply the enjoyment of meeting people, a willingness to help and the satisfaction of knowing that you are making a difference within the village.

If you could spare three hours a week, three hours a fortnight, or just be available on our volunteer reserve list, we would like to hear from you.

The ability to use email and a browser to access information on the Internet would be an advantage, full training is given, and help is always just a phone call away.

Meals on Wheels

Now the colder weather is upon us it is important to ensure that all village residents are able to have a hot meal, especially the elderly or vulnerable.

Woodchurch HUB, working in conjunction with Tenterden Social HUB, organise deliveries of a 2course hot meal each weekday to Woodchurch residents. If you know someone in the village who would benefit from the meals delivery service, or would like to have then yourself, please contact The HUB for more information.

Meals Delivery Drivers Needed

If you could spare an hour per week to become part of the meals delivery team, or could join the team as a reserve, please contact The HUB.

WOODCHURCH PARISH COUNCIL • UPDATE •

Apologies for one of the swings being out of action in the play area. The council has been in contact with several contractors as to the best course of action for the repairs. We appreciate your patience in the meantime.

The "Speed Toolkit" has been deployed at various sites around the village. The plan is to move them around various visible locations, and should act as a gentle reminder of the 30 MPH limit to passing motorists.

As the nights are drawing in, now is a good opportunity for you (or if you have vulnerable family members) to get tips on how to safeguard yourself and your property. You can do this by signing up to Neighbourhood Watch. Peter New is the Neighbourhood Watch volunteer for the Ashford District and can be contacted at 07768 437422 or peternew1@aol.com

Finally, you should all be receiving the Woodchurch Village Survey very shortly. I strongly recommend everyone takes the time to complete this questionnaire and return it, as the findings will have a direct result on how and where the Parish Council focuses it's attention. An online version of the survey will also be available on the Woodchurch Hub website home page.

Kind Regards, Ian Philo, Woodchurch Parish Council Clerk

WOODCHURCH SURGERY UPDATE

Wow, this week has run away with me... I'm away next week so super hectic!

It feels that we have been given a bit of breathing space after the intensity of two really busy Flu and Covid clinics, with over 500 people attending for each clinic. We still have Flu jabs available so please book in for these if you are eligible. We will also try and ask people ad-hoc while they are in the building. Due to the high turn-out for the weekend clinics we re-ordered jabs for the under-65 group and still have about 30 left (and about 160 for the over 65s). Please come and use up our stock and if we still have any Covid jabs we can give you one of those too. When we have run out you can still book in at chemists for a free jab if you are in the eligible groups.

We have the ever popular Movember ahead of us. Movember is an annual event that encourages men to grow mustaches during November and raise funds to support men's health issues. It raises awareness about mental health, prostate cancer, testicular cancer, and suicide prevention, motivating people to take action and make positive health changes. I

have tried to grow a moustache in the past and any attempt at facial hair is a struggle and makes me very unpopular at home so I will be sponsoring someone else. You don't have to donate money or grow a moustache but just talk more about the things men aren't typically good at such as asking each other if you feel "ok".

The prostate remains a bit of a mystery and we still aren't entirely sure of its' purpose. It sits at the base of the bladder (only in men) and as we get older it grows often causing a bit of obstruction to the outflow. This gives rise to the increasing frequency and urgency to have a pee and leads to having to get up multiple times at night. This benign growth can be a bit annoying but is seldom more than that and is related to general enlargement. Cancers tend to sit more on the edge of the gland and do not typically change how you pee. The only way to know you are safe is to have a blood test for "PSA" and ask a doctor to have a feel of the gland. If there is any doubt we would refer you to a Urologist for an MRI scan and possibly biopsies.

Prostate cancer is now one of the leading causes of cancer death and can be avoided if picked up early. In Europe there is now agreement to screen nationally (as we do for breast, cervical and bowel cancer) but the UK is not currently

screening for prostate cancer. I would urge anyone with a 1st degree family history of cancer (ie dad or brother) to start screening from 50 and other men to consider it from 55-years-old. Other higher risk groups who should start screening at 50 are people with a body mass index of over 30 and people of black ethnicity. We will write to some target groups in an attempt to reduce inequality in this but otherwise rely on you to step forward. Men, be brave!

Thank you again to all those attending for the Flu/Covid events. Everyone was so patient, kind and helpful to one another which are qualities that Woodchurch is known for and makes it a pleasure for all of us to work for you.

Best wishes to you all on behalf of the Surgery, Jack Hickey GP

All Saints Church

Dear Friends,

I hope you are all keeping safe and well, and that recent bouts of Covid have subsided by the time you are reading this.

The last few weeks have been difficult for our

small team of hard-working volunteers in Woodchurch. Two people had quite serious health episodes whilst on holiday in different places. They and their families have been very much in our thoughts and prayers whilst they recover. Unfortunately, we have had to cancel one or two coffee mornings, and also our fundraising concert "Porch Swing Blues" on 4th November - we are sorry for any inconvenience. My thanks to those who have been helping to cover whilst people are away.

In November we will be remembering those we have loved and lost in our annual All Souls service at 7pm on 2nd November - this year in St Margaret's Bethersden - do come along if you have been bereaved, and let us know if you would like the name of a loved one to be read out - we will light candles for those we remember.

Then on Remembrance Sunday on 12th November we will gather at our village war memorial to remember those who gave their lives during times of war. There will be an Act of Remembrance outside meeting at 10.45am, followed by a service in church in All Saints.

I am delighted to announce that Maria Stuttaford will be joining us in the Benefice of Bethersden with High Halden and Woodchurch as an Assistant Curate, commencing after her ordination as deacon on the weekend of 29th June 2024.

Maria has been training locally for ordination, and she is currently based in Ashford - she has been worshipping and serving in the Parish of Ashford during her training. Maria is married to Graham, and in due course, they will be moving into the curacy house in High Halden. Maria is a great gift to the church, and I have very much enjoyed getting to know her during recent months. I know that you will give Maria and Graham a warm welcome next year.

Blessings to all in Woodchurch

Reverend Sue

Citizens Advice Bureau At Woodchurch HUB

Ashford Citizens Advice now holds regular, confidential consultation clinics at Woodchurch HUB on the 2nd Thursday of each month from 1pm to 4pm.

These are walk-in sessions so you do not need to book. For more information please contact The HUB. It was wonderful to receive this feedback from a couple who were married in All Saints Church earlier this year:

We married in All Saints Church in 2023 and it was one of the best decisions we made. Reverend Sue was very welcoming, accommodating and she made every effort to ensure our ceremony was personal to us and our family. We felt at ease as soon as we met Sue to discuss our initial plans and we realised quite quickly it would be a wonderful service. Our guests have since commented and said 'the service was wonderful, like no other they had been to, fun and relaxed, one of the highlights of the day!' We thank Reverend Sue and the Church flower team in making our day so truly special

We had some lovely village wedding this year, when couples chose to have their receptions in the local pub or in their own gardens. If you live in any of our three villages then you can marry in one of our churches for $\pm 600-1000$ - please get in touch to find out more.

We look forward to welcoming you.

Woodchurch Village Shed

Hi everyone, just to keep you posted on our slow progress.

We have applied for full planning permission

as advised. We were turned down on 3 small issues. We have managed to resolve one fully and we are waiting for ABC to unlock our application to resolve the last two. Hopefully we will be able to do that soon.

Activities have been suspended for a while due to the fact I am on holiday and our other leader has family challenges. All will be back up and running when I get back in November.

There has been plenty of interest shown for this project from people in the village and surrounding area. We are focusing on getting our shed purchased and installed and we then need to look to fund raise to equip our shed fully.

I will keep you posted on our progress.

The Six Bells Inn

November is here but where has the year gone ? Clocks have gone back and the winter months have arrived, I have parked up my broomstick for another year as Halloween has passed and

Christmas is just around the corner and then 2024!!

But back to November, we have a new date for our quiz night which is Monday 20th and hopefully we have found a day which will suit most people. This will be the last one in 2023 but it will be returning Monday 15th January 2024.

Remembrance Sunday has always been an important day in the lives of so many people and gives us all a chance to think about people who are no longer with us.

Our Festive Menu has been released and if you do wish to book, please do so as soon as possible as many dates are now full. We are still offering our Autumn Menu so if you fancy a break from the Christmas Shopping then a warm welcome, open fire included, awaits you.

The next update will be in December and then it will be Christmas !!

Have a fantastic November and please remember to think of the animals when celebrating Bonfire Night with fireworks.

With love as always, All of us at The Bells x

Woodchurch Village Life Museum

Woodchurch Village Life Museum (WVLM) closes its doors for the season at the end of October. The first lottery draw of the new season also takes place now- see below. Thank you to all our subscribers for signing up for another year. If you missed this opportunity, please find extra forms at Woodchurch Hub.

We are still open to all, volunteers and visitors, from 10-12 on Wednesday mornings and also by appointment at other times. Email enquiries@ woodchurchheritagetrust.uk or phone 01233 860586 for more information.

To have such a unique resource as WVLM and Study Centre in the village is a wonderful asset and much under-used. Hope to see you soon.

Thank you for everyone who has continued to support the Museum by subscribing to our 150+ lottery draw for 2023/4.

Tickets are still available for the remainder of the year

Woodchurch Football Club

Woodchurch Football Club have home games every Saturday in November, we are waiting to see who we are playing but Kick off

is 2pm every week.

Our Sunday team has now moved pitch to Appledore due to the weather, but we'd still love some 'Home' support!

Our seniors Christmas meal is 21st November.

WOODCHURCH WOMEN'S INSTITUTE

Delia Taylor was the speaker at our October meeting, with a talk and power point presentation entitled "The Golden Age of Hollywood," which, we learnt, lasted from the 1930s until the 1960s.

In America the Wall Street Crash of 1929 was followed by the Great Depression when

12 million people were out of work, 12,000 people were made unemployed every day and one farmer in twenty was evicted. In addition 20,000 companies and 1,616 banks went bust, the highest number of people (23,000) in one year committed suicide, and breadlines became a common sight in many cities. Some families even offered their children for sale! And yet, the cinemas thrived and, ultimately, survived, on account of many Americans (approximately 80 million) turning to the cinema as a very welcome form of escapism!

An outing to the movies was still relatively cheap and sometimes the price of a ticket included a meal. The 5 major film studios and 3 smaller ones were all situated in Hollywood, where movie making prospered with high profits, popular stars and brilliant film makers, so that the 1930s and 1940s produced some

of the greatest films in cinema history and featured some of the biggest names. Three of these most iconic films created during this time were "The Wizard of Oz," starring Judy Garland, "Gone with the Wind," starring Clark Gable and Vivien Leigh and the cartoon animation of "Snow White and the Seven Dwarves". Perhaps they seemed more magical than previous films, because of the excellent story telling, or it could have been due to the improved quality of sound and the new Technicolor. Also the music written for the movies of the period, as well as the dance routines, consistently matched the artistry of the films themselves and greatly added to the "feel good" factor, which was so much in demand during the Depression and later on, in the war years.

Sadly, however, all too soon our Tuesday night visit to the movies had to end with a magnificent, musical swimming display! Thank you, Delia, for such an interesting and cheering presentation on a misty, autumn evening.

Next month, on Tuesday 14th November at 7.15 pm in the Memorial Hall we are looking forward to meeting our local vicar, Mike Rose. He intends to enlighten us on his path to becoming a vicar; a talk which promises to be simultaneously humorous and thought provoking. The competition will be "Something all White". Please do join us if you can!

Six Bells Park

Residents of Six Bells Park celebrated Halloween by having a fancy dress party at Six Bells pub. Everyone made a great effort with their costumes and also with the pumpkin carving. Well done to all.

The next event will be the Christmas light up in December.

Christmas Market at The Memorial Hall and Annexe, Woodchurch

Saturday 25th November 10:30-2:00pm

Do come and buy your Christmas presents and decorations from our local craft stalls.

Stalls include: Crafts, Tombola, Competitions, Books, Cakes. Refreshments will be served: tea, coffee, squash and home-made cakes.

Organised by Woodchurch WI

Woodchurch Local History Society

The Woodchurch Local History Society normally meets on the first Monday of the month in the village Memorial Hall at 7:30pm. Our next meeting is on Monday

November 6th, 7:30pm when we welcome Pete Allen who will be presenting his illustrated talk entitled '**Not Coming Soon. The Greatest Movies NEVER Made**'.

In Pete's words "Ever wondered whether it was the start of a beautiful friendship between Rick and Louise? Whether even James Bond could have

saved New York from sharks armed with nuclear warheads? Or whether Alfred Hitchcock might have planned for a judge accused of murder? History remembers the great (and not so great) movies that were made ...but what about the ones that never made it to the starting line?"

Pete is very familiar with the entertainment industry and must be party to a lot of 'inside' information. So, I'm sure this will be a very entertaining evening, especially if he has some clips from these unknown films.

Visitors are very welcome indeed and pay £3 at the door. There is no need to book - just turn up on the night. Hope to see you then.

On Monday December 4th we are happy to welcome Wayfarer Wines for an evening of wine tasting and Christmas nibbles. More details will follow in the next issue of this publication.

WOODCHURCH CARNIVAL 24

With months to go till Christmas the Carnival team has been working hard behind the scenes to bring you Carnival 2024. The 8th June 2024 is the day set for the event and we hope that it is as successful as Carnival 2022. The day was chosen due to it coinciding with the national D-Day anniversary plan and this helped to set the theme.

A small team have been looking at how to maintain the carnival for future generations and part of that is applying for charity status.

Food stalls were the biggest area of feedback from 2022 (excuse the pun). We already have plenty of stalls booked for 2024 and an area of The Green will be set aside for food alley. The display arena is also looking busier and will include a number of interactive displays. If you have a group or would like to have a slot in the arena, let us know.

The parade will also be taking place and we hope that many will take part, opened by our friends from the Repair Shop.

All the other fun stuff with the stalls, fair and this coming event an "Open Mic" spot prior to the bands starting.

We will be officially launching the event 27th January 2024 at Woodchurch Primary School with an open day, so please get your thinking caps on so that you can support this great day in the village calendar.

Find us on Facebook, Instagram and website.

Guides and Brownies continue to meet on Wednesday evenings. From 6pm till 7.15pm.

We welcome girls from their 7th birthday. If you would like to come and join us we return on 1st of November. We have an exciting programme leading up to Christmas. Come and make new friends and have fun.

We have had a fun autumn term with 4 new girls starting and looking forward to a busy few weeks leading up to Christmas.

Girls can join us from age 4 (reception class) till aged 7. If you would like to join us we return on 1st November 5pm till 6pm.
