The Full Community Calendar can be found at www.woodchurchhub.uk/community-calendar

The next Parish Council Meeting is on 19th December at 7pm in the Memorial Hall Annexe.

Windmill Latest

The Parish Council has applied to have the windmill designated as an Asset of Community Value. The Legal and Democracy Division at Ashford Borough Council has now validated the application, and we will hear by 15th January 2025 as to whether the mill has been added to the List of Assets of Community Value.

In the meantime, the "Portfolio Holders" at Ashford Borough Council, who are responsible for the windmill, have deferred putting the sale recommendation before Cabinet to next year. We are still keen to hear any comments you may have, please contact the Clerk on: clerk@woodchurch-pc.gov.uk

An Update on The Hub Work and The Carpark

Work has commenced on installing a new cable to The Hub building, but unfortunately UKPN encountered a major problem and all work has come to halt while we await UKPN to resolve the issue. This has meant that the toilet refurbishment has also been delayed. The latter is now hopefully due to commence the first week in January. We apologise for any inconvenience caused while work is ongoing.

The Preliminary Budget

At this time of the year, you will be hearing a lot about precepts. The precept is the portion of your council tax that is allocated to parish councils to cover the running costs of the village that the parish councils carry out for the residents.

The preliminary 2025-26 budget was presented at the 28th November Meeting. The Parish Council will be considering a number of options open with regard to the remainder of earmarked funds. The Parish Council will finalise the budget, deciding the precept request over the coming months.

Community Wardens

Following the decision by Kent County Council to withdraw the Community Warden from several wards including Woodchurch, the Parish Council has been investigating alternative methods of reintroducing one to the village. Please contact the Clerk with any views you may have on the subject.

Supporting Your Community

The Parish Council has been providing support to your local groups and organisations around Woodchurch. Apart from physical support the Parish Council has been awarding grants and donations. Unfortunately this year's budget for financial support has been exhausted, however there will be fresh funds available from April 2025.

Please see the Parish Council Website for the Grants and Donations Policy and the application form.

Ever Thought of Becoming a Councillor?

We currently have a vacancy for someone to join a dynamic council.

If you are motivated in serving and helping your local community then this is an excellent opportunity. There are no formal qualifications required. If you have any interest or questions then please email the Clerk on clerk@woodchurch-pc.gov.uk

Recent Planning Applications We Have Considered

Application	Location	Parish Council	Ashford Planning
AP-90667	CALA Homes	Object strongly due to potential flooding	Upheld the appeal

How to contact your Parish Council

In person: By talking to one of your councillors - details on the Parish Council Web site

By email: clerk@woodchurch-pc.gov.uk

By phone: 01233 861381

Through The HUB: Place your correspondence in a sealed envelope marked "Parish Council" and deliver to The HUB

By post to: Woodchurch Parish Clerk, c/o The HUB, Front Road, Woodchurch, Kent, TN26 2PA

Through the contact form on the Parish Council Web site: www.woodchurch-pc.gov.uk/contact-us/

**From the Woodchurch Museum Archives
A snippet from January 1899 Parish Magazine**

Very faint praise indeed for the Parish Council during 1898, presumably from the Rector !

"The Parish Council pursues the even tenor of its way, if it has not yet done any great amount of good it has been useful in small matters, and has had at least the merit of not running counter to the wishes of the majority of the Parishioners."

WOODCHURCH SURGERY UPDATE

December in the NHS is full of anticipation. Having just completed the busy flu and covid clinics we wonder how long we can pause for before the winter chesty coughs kick in.

There is a national "antibiotic stewardship" scheme which tries to reduce the number of antibiotics prescribed to reduce potential side effects and most importantly to reduce drug resistance. TARGET stands for "Treat Antibiotics with Respect; Guidance, Education and Tools" and there are a number of patient leaflets designed by the Royal College of GPs to offer guidance for common conditions.

For example, most infections do clear up by themselves and just need a bit of supportive care to help symptoms: Middle ear infections within 7-8 days; Sore Throat 7-8 days; Sinusitis 14-21 days; Common Cold 14 days; Cough or Bronchitis 3-4 weeks.

The leaflets are widely distributed to pharmacies and can be found [on the RCGP website](#) (although not very easily). There are also resources on www.antibioticguardian.com around antibiotic use and a detailed booklet for

parents available by searching for "whenshouldiworrybooklet". Looking at all these resources, they seem to give sensible advice.

The big news from the Surgery is that we have introduced a new dispensing system called Titan. This has been in the ether for several months but finally it went live on 4th November. I take my hat off to the dispensary team who have got to grips with it in super-fast time.

The prescriptions link electronically and the process adds a number of layers that help deal with medication safely. I really appreciate the patience that has been shown by everyone and strongly believe that it will lead to a safer, more effective process. There is a built-in messaging system that should notify you when it is ready,

however there are some gremlins within - I apologise to the people that received multiple messages and have opted out of this until we know it is working properly.

We have a new trainee, Dr Suraj B K, who will start in December and I am sure you will all give him the Woodchurch Welcome.

We are human too and also hugely excited in anticipation of Christmas, along with all the festivities that go along with it.

Merry Christmas on behalf of the team at the Surgery,

Jack Hickey - GP

When to get help

If any of the below apply to you or your child, get an urgent assessment from a healthcare professional. If your child is under the age of 5, go to A&E immediately or call 999.

- Your skin is very cold or has a strange colour, or you develop an unusual rash
- You have new feelings of confusion or drowsiness or have slurred speech
- You have difficulty breathing. Signs that suggest breathing problems include:
 - breathing quickly
 - turning blue around the lips and the skin below the mouth
 - skin between or above the ribs getting sucked or pulled in with every breath

If you (or your child) have any of the following symptoms, are getting worse or are sicker than you would expect (even if your temperature falls), trust your instincts and get medical advice urgently from NHS 111 or your GP.

- You develop a severe headache and are sick
- You have a red, swollen tongue
- You have redness, swelling and pain around the eyes or the ears
- You develop chest pain
- You have difficulty swallowing or are drooling
- You cough up blood
- You are peeing very little, or not at all
- You are feeling a lot worse
- Your child has a middle-ear infection and fluid is coming out of their ears or they have new deafness

How to look after yourself and your family

Have plenty of rest
Drink enough fluids to avoid feeling thirsty
Ask your local pharmacist to recommend medicines to help reduce your symptoms or pain (or both)
Fever is a sign your body is fighting the infection. It usually gets better by itself in most cases. You can use paracetamol if you (or your

child) are uncomfortable because of a fever
Use a tissue to cover coughs and sneezes and wash your hands with soap to help prevent spreading infection to your family, friends and other people

Never share antibiotics and always return any unused antibiotics to a pharmacy for them to dispose of safely.

Less serious signs that can usually wait until you visit a pharmacist or your next available appointment

You are not starting to improve a little by the time given in the 'Most are better by' column in the table above
You have mild side effects such as diarrhoea. Get advice from a healthcare professional if concerned

Back-up antibiotic collection

Back-up antibiotic prescription to be collected after days from / / only if you are not starting to feel a little better or you feel worse.

Colds, most coughs, sinusitis, ear infections, sore throats, and other infections often get better without antibiotics, as your body can usually fight these infections on its own

If you need antibiotics, take them exactly as prescribed. Never save them for later and do not share them with others. For more information, visit: www.antibioticguardian.com.

Why it is important to take antibiotics as prescribed

Taking any antibiotics makes bacteria that live inside your body more resistant. This means that antibiotics may not work when you really need them.

Antibiotics can cause side effects such as rashes, thrush, stomach pains, diarrhoea, reactions to sunlight, other symptoms, or being sick if you drink alcohol with the antibiotic metronidazole.

All Saints Church

Dear Friends,

Where has this year gone?? Somehow as I write this, we are almost into Advent - a time of preparation as we await the excitement of Christmas. I know that this can be a really difficult time of the year. Please don't hesitate to get in touch if you would like a chat on the phone or a visit from one of us. Some of us have had difficult years and if you are struggling to cope with all of the Christmas preparations around you and would like some help then just let us know. Please also get in touch during the winter months if you need foodbank support. Whilst we no longer leave food in our church porches, we provide food parcels and/or shopping vouchers to those in need. All requests are treated confidentially - please contact me, or Alan Baker or you can use the Here to Help email - heretohelp.woodchurch@gmail.com.

We have a busy few weeks ahead of us in the run-up to Christmas. Do try to find a few minutes here and there to stop and remember the true meaning of Christmas, as we reflect on the wonderful gift of God to us in his son Jesus Christ.

Specials things coming up includes our Christmas Tree Festival in church 6-8th December; we also have Carols and Mulled Wine at 6pm on 15th December. We have a special family service at 4pm on Christmas Eve - we hope children will take part in our nativity - Ann has been busy making costumes! Our "Midnight" service this year is at 11pm in St Mary's High Halden, and our Christmas Day service in Woodchurch is at 10am.

Christmas Blessings to everyone, and a Happy and Healthy New Year 2025 from us all.

Woodchurch Village Shed

Just a quick update on the progress of the Village Shed. Since the last Newsletter we have managed to have the second phase of the electrics installed. We now have serious light and a plethora of electric sockets. We are in the process of fitting an all weather canopy to help protect us against the outside elements. The next steps are to start work in kitting out the Shed itself. We are fortunate to have had a number of donations from people in the village to help us on our way. We still need considerable funds and materials to help us get up and running in serious style, as they say, "Slowly, slowly catchee monkey." We will get there in the end.

We are planning to have a kind of open day on Thursday 19th December from 10 am to approx 1pm. There will be mulled wine, mince pies, sausage rolls and a selection of hot and cold drinks. Due to the time of year and space we do have limited space so if you are interested in coming along can you please book a place via my email, neilmckay0730@gmail.com by the 14th December 2024 please.

We are at the Scouts and Guides Community Centre, Lower Road.

Best wishes Neil

WOODCHURCH REMEMBERS

The year is drawing to a close so a quick review is in order along with a word about hopes for 2025.

Before going any further thank you to everyone who contributed in any way toward Remembrance Day on Sunday 10th November, either by assisting us or attending to pay tribute at the War Memorial. I apologise for the technical hitch that left us without a bugle call, leading to some confusion, it certainly won't happen again. Strictly it was not technical, but the lack of a bugler/trumpeter. If anyone can help us with this I will be very grateful and I can in fact supply a trumpet. On a happier note your generosity at the church service raised £230.44p for the Poppy Appeal. You will see in the photo below that we have arranged the poppy wreaths and secured them against the wind; they will be removed in January and appropriately disposed of.

In March, we held a ceremony to plant an English Oak to commemorate the American Airmen who lost their lives in the crash of a Liberator Bomber in 1944. We erected a roll of honour of all airmen from various nations who fell while serving at Woodchurch Airfield. There is more to come on this subject as we research it further, so watch out for details in future newsletters.

This just leaves me on behalf of Woodchurch Remembers to wish everyone in Woodchurch a very Happy Christmas and the very best for 2025.

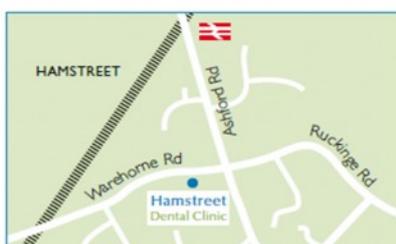

Margaret Morris Movement Gentle exercise classes will continue as normal on Thursdays at 12:15 pm in the Scout and Guide Community Hall

Citizens Advice Bureau At Woodchurch HUB

Ashford Citizens Advice now holds regular, confidential consultation clinics at Woodchurch HUB on the 2nd Thursday of each month from 1pm to 3pm.

These are walk-in sessions so you do not need to book.
For more information please contact The HUB.

Please note that there will not be a clinic in December
Any enquiries please call the office main on 01233 626185

In November, Woodchurch WI learned all about silver-smithing with a talk and demonstration given by Helen Sharp. After a career as a BBC journalist Helen explored a variety of crafts from spinning and soap making before finally settling on silver-smithing. She showed the simple tools required to make her jewellery. These included pliers, cutters, a cook's blow torch, a mandril for sizing rings plus different hammers used to create textured effects within the silver. There are two sources of silver; aiming for sustainability over mined ore Helen uses silver recycled from NHS X-rays.

Having demonstrated how to cut and solder wire for a ring, Helen went on to describe the ways in which stones are set. A gypsy set is whereby the stone is inset flush with the ring surface. Another type of setting is within a "cup" on a mount. Members were fascinated by the amount of silver jewellery Helen had brought to sell and took advantage of some pre-Christmas retail therapy. A fascinating talk!

Our Christmas meeting and festive talk is on December 10th 7.15pm in the Memorial Hall when we welcome back Pete Allen. His presentation entitled "A Lasso Around the Moon" tells how, on its release, the film "It's a Wonderful Life" was a box office disaster but has since gone on to become as much part of Christmas as mince pies and carols.

The committee and members wish you all a very Merry Christmas and a Happy and Healthy New Year are looking forward to seeing you at our meetings in 2025.

Find our website at Woodchurchwi.weebly.com or our Facebook page, www.facebook.com/WoodchurchWomen'sInstituteEastKent

Bonny Cravat

Christmas is nearly upon us and we have a few exciting events we'd like to get you know about happening at the Bonny this month.

First off on Friday 6th December we have DJ Chrissie with her amazing disco and karaoke. Following on from that on Tuesday 10th December we have the return of our quiz night. Starting at 7pm so be sure to book your teams in now.

As we mentioned before, the Bonny will be closed on Christmas Day this year, however will be open and serving food all day on Boxing Day!

And just like that we will be saying goodbye to 2024 and welcoming 2025. To do this, DJ Chrissie will be back on New Year's Eve seeing us in to the new year with some amazing tunes. Come up for a night of drinking, dancing and great entertainment!

Thank you for all of your support during 2024. We hope everyone has a very merry Christmas and a happy new year! Love as always, The Bonny

The Six Bells Inn

It only feels like yesterday when we were putting up the Christmas Decorations in The Bells. They do say time goes faster as you get older and how very true that is. All of us here at The Bells have thoroughly enjoyed the time which we have spent with all of our customers over the past year and we have one more month of 2024 to make more memories.

Firstly, we wanted to just say a few words about November, we started with 10th November and Remembrance Sunday, Matt and Co came back to prepare the Traditional Sunday Roast and I cannot thank everyone enough for the amazing day which everyone here experienced. Without fantastic staff and the amazing community spirit and of course "The Special Customers" Woodchurch, The Bells and The Bonny would not be what they are, so a Huge "Thank You" from all of us xx

The Quiz Night was organised chaos as always but full of laughter, with improvised question reading due to the microphone not behaving itself again !! But you will all be pleased to know that the microphone has now been retired so hopefully no more technical problems for the Quiz Tuesday 17th December!!

We have our Annual "Billy No Mates" meal Saturday 14th December so if you would like to enquire more then please do speak to any of us about it (not sure if this is politically correct anymore but it is a Tradition so we'll carry on until we are told otherwise).

We do have some "Special Nights" coming up but the details are yet to be finalised but following the success of our first Candlelight Acoustic Night, we have some more evening planned which will be rather interesting !

Now, New Years Eve, we have the Thaiso Food Truck coming again from 5.30pm to 10.30 pm or until they have sold out so, please pop in early to avoid disappointment This will be accompanied with the amazing voice of "Hannah" who will be seeing us into the New Year.

Finally, Merry Christmas to one and all, why not come and enjoy the Traditional Decorations and relax with old and new friends, we cannot thank you enough for making every day and every month memorable so this is an enormous thank you from all of us to all of you.

With Love as Always

Sound timber framing

timberology.co.uk

An encouraging run of results sees Woodchurch Firsts tied in first place with 2 other teams at the top of the Ashford league before the league splits into two after Christmas. Reserves are going well too, currently sitting in 8th, which would put them second after the split.

The walking football teams have had mixed results. The over 50s are currently sitting 6th in their league, however the over 60s are second behind Herne Bay in their respective league.

Our lottery has finished for the year and we will be restarting it the early part of the year coming.

We are really sorry that we were unable to run the dinner that we normally put on in the village. Our head chef was taken unwell and we wish her a speedy recovery.

Thank you very much for all the support we have received and we would like to take the opportunity to wish everyone a safe and lovely Christmas.

[Join us this festive season at the Rare Breeds Centre!](#)

This December, our much-loved Truly Magical Christmas event returns, bringing magic and joy to the whole family! Step into our enchanting grotto, where little ones can enjoy an interactive experience with Santa and his cheeky elves. Every paying child will receive a special gift from Santa himself, and you can capture the moment with a professional photo to cherish forever.

But the fun doesn't stop there! Explore our festively decorated farm, packed with exciting activities for all ages. Follow our Christmas World Trail, get creative with seasonal crafts, and indulge in delicious festive treats from our Granary Restaurant.

Looking for indoor fun? You can now book Soft Play sessions without paying full entry to the farm! Even better, Soft Play will remain open on Mondays and Tuesdays throughout winter, when the rest of the farm is closed.

And there's more! This December, spend just £5 or more on weekdays at the Granary Restaurant, and you'll receive a free kid's lunch box. This offer is open to all visitors, including members. Visit our website for T&C's.

Don't miss out on the magic, book your tickets today and celebrate the festive season with us at the Rare Breeds Centre!

Our local team of care professionals can help with:

- Meal Preparation
- Medication
- Personal Care
- Companionship
- Help around the home
- And much more...

Quality Care at Home

HELP NEEDED AT THE HUB

The HUB is looking for volunteers to help support the community in The HUB office from 10am till 1pm. This could be once a week, every two weeks or simply on our list of reserve volunteers. This is a good opportunity for you to help provide positive support to the community in a safe and sociable environment. No previous experience is necessary as full training and support will be given. The role isn't technical but a basic confidence using the Internet and email would be an advantage. The HUB team of volunteers is always available to assist and you will get to know a lot of new people from within the village - and beyond.

For more information please contact The HUB

Peter New (peternew1@aol.com)
Community Neighbourhood Watch

1. Father Christmas as we all know often stores extra Christmas presents in residents sheds.... **Criminals know this!!**
2. Residents store extra drink supplies in the run up to Christmas and New Year in sheds and garages **Criminals know this!!**
3. Christmas shoppers leave items in cars then going off for lunch before continuing shopping. **Criminals know this!**
4. Packing cars to travel the night before, **criminals will be aware and looking for targets.**
5. On Christmas day children playing with new Xmas gifts and leaving them outside properties and then going in for Xmas Lunch. **Criminals will drive around in vans and pick up items to hand.**

These are the types of risks we criminals will target. **CARS, VANS, SHEDS, GARAGES, BARNs, STABLES and any EXTERNAL STORAGE.**

Stay alert and vigilant as we head to Christmas when we have a great deal on our minds and our concentration can have lapses that criminals will prey on.

We also know that Internet shopping parcels and courier fraud will increase in the run into Christmas and then the January sales

Parcel thefts rise from doorsteps as gangs follow courier vans

REPORTING INCIDENTS and CRIMES including failed attempts at crime

My constant battle through 2024 has been getting people across the whole District to report all crimes no matter how small even attempts/failed crimes or near misses.

That project will need to become a crusade as we move into 2025.

THE POLICE ARE NOT CLAIRVOYANT! They must be told. Even if they cannot make a response immediately the information builds up patterns and trends and identifies "hot spots" It can help the police develop proactive patrols or can filter to people in Neighbourhood Watch like me to issue crime prevention advice to communities.

Stop making judgements "they won't come" "they are not interested"

If you report incidents, you will get a crime number or reference number.

If you feel you have not had the service you expected, with a crime number it can be followed on.

Please see helpful guidance below.

If in any doubt or you see a crime about to happen or in progress, make that a 999 call. Any doubts use 999 Force Control will be able to prioritise responses on operational activity.

Too many times people write what they have seen on Facebook can formally ask the question and follow up on but do not call the police.

Why I struggle with this is in my 35 years in the fire service nobody ever wrote on Facebook "the house opposite me is on fire" they rang 999 for the Fire Brigade.

The best example in the Woodchurch area would be hearing from the community that "drug deals" and "drug deliveries" are happening in the Woodchurch Village car park.

Firstly why? Well drug dealers know that in isolated car parks, especially in rural areas, they are unlikely to meet a passing police patrol car by chance as against a town area.

Sometimes those rural areas are poorly lit and there is not a great coverage of CCTV or camera doorbells. There may not be passing residents out walking late at night.

BUT - and here is the big question. Who has picked up the phone and reported what they have seen? Remember "crimes in progress" are a 999 call. I repeat myself the police are not clairvoyant! They must be called.

If they fail to respond and or act on intelligence, then the council can formally ask the question and follow it up.

PLEASE REPORT EVERYTHING

Stay safe, secure, alert and vigilant

Never forget "CRIME CANNOT FLOURISH IN COMMUNITIES THAT CARE"

Your council care, your councillors care and residents I meet all care, and let me leave you in no doubt whatsoever...I care!

I look forward to supporting the community and council as much as I can to keep you firstly crime free as possible, but as important keeping you free from the fear of being a victim of crime also.

How can you help

To join Neighbourhood Watch in Woodchurch (which is completely free) just email me on peternew1@aol.com

May I wish each and every one of you and your families a very Happy Christmas and a Happy Healthy New Year.

Thank you for your support, I really appreciate it.

Peter
